BACKGROUND:

The original music for this dance was not available so music in the appropriate rhythm was selected. This is a humorous song about a young rabbit who dresses up in the finery of a young bachelor and goes off to Thessalonika to find a bride.

The Pirin Mountain area of Macedonia lies in Bulgaria. Often the Yugoslav and Bulgarian governments will hold special border festivals and Macedonians living in both countries are allowed to cross the border freely and participate in feasts and dancing and visit briefly with friends and relatives. Dancing is the main activity and villagers gather around their favorite orchestras.
