

Aunt Hessie's White Horse

Men on the inside, girls on the outside. We'll just walk through it once.

Moving to left, forwards into lines and back, again on the other side

Do sa do. Do sa do the other way

Swing. Men move on to next girl to left.

Now, tell me, would you like to do La Russe English style? or would you like to do something like maybe Barley Reel which maybe you don't know. La Russe. Four couple squares, then. And as long as the first couple has some idea of what to do we'll be all right. You don't need to know it as long as you go 2nd, 3rd or 4th couple.

Pass by, balance, swing, go home, balance, swing

First couple swing alone, visit

Cross with opposite two, turn, come back

Cross over, turn, come back

Circle left, promenade partners back to place.

You're getting tired aren't you. You've lost that vitality and joie de vivre you had earlier. What do we do, a traditional one to finish or would you like a new one. Traditional? Right. Bring your partners into a great big ring and the lucky men may have two. The best men might even finish up with more than two, you never know.
