

November 30, 1961

Brief council meeting called during dance session at Burkhardt Center. Present were Dick, Ed, Sara, Grace and Libby. Meeting was called to discuss changing the savings account we now have for the dance group to a checking. Was decided to leave the full account in savings for the present, but at a date near an on coming week-end planned, the treasurer will transfer part of the account to a checking account. This will enable Grace to write checks for food bills and other essentials for the week-end. This will also allow the treasurer to write checks to reimburse members of the group who may help with any needed purchases. Privilege of signature given to Grace and treasurer only.

Discussed getting postal card into mail urging all members of group to attend annual meeting for election on three new council members, Jan. 14 at 6:30.

Dick proposed that we should write to Mary Branigan and Stan Hamilton thanking them both for an enjoyable Scottish Week-end.

Dick proposed that we discuss with group the possibility of the folk dance group doing some kind of special program for the members of Burkhardt Center. The program entailing participation for all present.

Meeting adjourned.
