Dear Miss Parrett:

Thank you for your letter of 15 October 1962 inviting the Miami Valley Folk Dancers to participate in the Buckeye Square Dance Convention.

Our chairman brought this matter to the attention of our group at last night's dance session. Of those present, which was by no means a quorum, four people said they would be interested in participating. Most of the group, however, felt that November 1962 is too far in advance to be able to say definitely whether or not they would be able to attend in May 1963.

Several of the council members felt that Saturday afternoon and evening would be a long enough period for which to plan.

We realize this is not too much help to you at the present time. However, we appreciate being included in the plans for this statewide event. Please let us know of any further developments.

Very truly yours,

Mrs. Robert L. Manny
Secretary
Miami Valley Folk Dancers
