

Minutes of Council Meeting of Miami Valley Folk Dancers held on  
23 April 1963, 8:00 pm at the Stovall residence, 5263 Powell Rd.

Those present were: Florence Seger, Chairman; Rosemarie Dennehy, Treasurer; Careline Stovall, Libbie Ogdan, and Grace Wolff.

It was decided, after a short discussion, that Ann Ballinger will be considered a member, effective May 2, 1963. Her husband, who attends dance sessions rarely, is still on guest status.

Bob and Mitzi Manhy were granted a leave of absence of two months.

There was some discussion about a group picture for publicity purposes, since we were asked for one to publicize the demonstration at Beth Abraham synagogue. Grace suggested instead a description of club activities, how we get the dances we learn, etc. This was accepted.

Council discussed ways and means to get up a folk dance class in the fall and the need for publicity now for a big fall class. Our membership must spread the word so that those who might be interested will keep their calendars clear.

Zafra and Rickey Holden were discussed as possibilities for a fall weekend, either October 26 or November 2, and Jane Farwell for the spring.

It was decided to have various members plan the Thursday night programs throughout the summer. One of the council members was to start off with the May 23 program. Dances for the Beth Abraham demonstration are to be included in those programs before July 14, to give members a chance to learn them better.

Meeting adjourned about 11:30 pm.

Respectfully submitted,

Libbie Ogdan, Acting Secretary
