MIAMI VALLEY FOLK DANCERS WEEKEND with JERRY JORIS LINDSAY, November 2-3, 1963.

Jerry has a large repertoire of international dances and has attended a number of festivals in Europe and has conducted a number of workshops in this country. She was on the staff at the Oglebay Institute this Fall. Those Miami Valley Folk Dancers who attended the Institute are happy to report how much we enjoyed Jerry's leadership and the dances she taught. She has been asked to teach several of these dances at our weekend. As you know, a weekend means chores and so council members will be requesting your assistance on various committees. Payment of dues through OCTOBER is necessary to be eligible for the special weekend rate.

A DANCE FESTIVAL, with square, round, and folk dancing, SPONSORED BY THE MIAMI VALLEY DANCE COUNCIL, will be held at the Blue Moon Ballroom, Rt. 42, Xenia, Ohio, on November 9 and 10, 1963. Hours are: Sat. & Sun. afternoon - 1-5 PM. Sat. evening - 8-11:30 PM. All member groups of the Dance Council will participate in this Festival. The Miami Valley Folk Dancers will participate Saturday evening at two sessions, 9-9:20 PM and 10:20-11:40 PM. Please contact your COUNCIL CHAIRMAN to let her know if you will participate.

A SUBJECT FOR DISCUSSION: The Cincinnati Folk Dancers are interesting in hosting a TRI-CITY FESTIVAL (Cincinnati, Columbus and Dayton), at Drake Auditorium, Cincinnati, Ohio, Saturday afternoon and evening, November 30, 1963. Dance leadership would be obtained from within each club. The cost of the weekend would be \$.50 for both sessions. Reservations for dinner could be made for an additional \$2.00. It is believed that at least 12-15 people from our club would have to attend in order to make such a venture worthwhile. WOULD YOU BE INTERESTED IN SUCH A FESTIVAL? Please be ready to cast your vote by October 3.
