

COUNCIL MEETING

Feb. 15, 1971

At Mills

Madge Hart, Florence Seger, Ken Steed, Wayne Cheek
Rose Anna Mills

Transfer and combining of funds to be delayed to April 1 in order to gain interest.

After much discussion and review of club records and a Feb. 9 letter from Jack Hunter, Council felt there was no certainty our Methods of Operation had been updated by membership since 1963; that we would immediately consider them in detail plus suggestions for change with view that alteration, if any, be submitted to membership for their action.

Letter from Marj Hunter received containing her resignation from present Program Committee. Her wish was acceded to with regret. Secretary directed to write reply letter to her.

Matters concerning Program Committee discussed with agreement to continue consideration at a Council meeting to be held soon.

Tricity weekend status was announced and some plans made.

K. S. Steed, Sec. of Council
