Dear Jane Farewell,

We have been informed by Grace Wolff that you are willing to conduct teaching sessions for the Miami Valley Folk Dancers of Dayton, Ohio on May 7 and 8, 1977.

Since we have a governing body, called The Council which is elected by the members of the dance group, it is necessary for us to have a written confirmation from you on the above dates and also as to all fees involved.

Would you please send this as soon as possible to me at 1621 Wayne Avenue, so that I can present it at our next council meeting on March 14, 1977.

We are looking forward to having you in Dayton again; it has been a long time.

Sincerely,

Bruce A. Cantrell, III
