Dear Miami Valley Folk Dancers,

Now that most of the snow is gone and the days are longer, we can begin to think of spring and our May 7 and 8 Jane Farwell weekend to celebrate our 25 years of Folk Dancing. Some of us began with the class in 1952 which became the nucleus of our present group. Jewel Steed and I are responsible for the organizing and planning and we would like you to know what has been done and what we hope to do. Several countries will be featured but the biggest emphasis will be on Scandinavia. Saturday afternoon's snack will be Scotch shortbread and tea. Saturday dinner will be a catered Lebanese meal, selected and supervised by Michael Solomon, who was the first leader and teacher of our group, and for whom the Pavillion is named. Yes, he is Lebanese (This explanation is for the benefit of newer members.) The weekend will be held at Solomon Pavillion.

We are asking Jane to plan our Saturday evening party because no one else in the world can do a better party than Jane Farwell! It will be climaxed by an American Birthday Party to celebrate our 25 years, with candles and as much "home made from scratch" cake as we can bake and bring!

Sunday, May 8, is Mothers' Day. (Please realize that this is the only weekend in the entire year that the Pavillion is free for us and this is the latest weekend in the spring that Jane can come.) Because it is Mothers' Day, we are planning something special. You may bring your mother and/or come as a mother to our Scandinavian Smorgasbord Brunch! You need not lift a finger (except to pick up your fork!) unless you want to. For the rest of us there will be things to do! We would like it to be very, very beautiful as well as delicious. The time is one o'clock. We are not planning the usual late Sunday afternoon snack. Jewel is in charge of the Smorgasbord, and whether or not we put out left-overs will be up to her. We hope that there will be many who will want to help Jewel. Please tell her soon.

We know of several people who might be glad to come if they could stay in someone's home. If you would like to host one or two of the old-timers, please let me know in time to extend this special invitation.

Some of the ways one can help with the weekend are listed below. Do make a choice, check it, sign it, and give it to Jewel or me. NOW!

Thank you.
