May 7 and 8, 1977

Solomon Pavilion
 2917 Berkley
 Dayton, Ohio

The Miami Valley Folk Dancers began as a class in 1952. Some of us are still dancing! When Jane did her first workshop for us she encouraged us to become a group, which we did. This will be her sixth workshop for us. No one could more fittingly help us celebrate this important year. Jane is known and loved throughout the world. Her dances have been retained and enjoyed. If you have not met her, this is your opportunity. The rest of us need no encouragement! It will truly be a reunion and a celebration in our beloved Solomon Pavilion, our dancing home for many years.

Since May 8 is Mother's Day, please feel encouraged to bring your Mother for the Brunch. Saturday Dinner and/or Sunday Brunch reservations will be accepted until May 1. Cost of meals must accompany reservations. Checks are payable to Miami Valley Folk Dancers. Please come a bit early on both days to allow a little extra time for parking because we share our parking lot with the golfers!
