

OLD TYME  
SQUARE DANCING PROGRAM

A new program aimed at those people who only find time to dance once each week or even once a month. That is, the level of dancing will progress at a relative slow basis and the group will determine the rate of progress.

The 1st and 3rd Tuesday each month will be a workshop to teach the basics and new movements.

The 2nd and 4th Tuesday each month will be dance night to enjoy dancing the movements everyone knows.

The time each Tuesday will be 7:30 P.M. until 10:00 P.M.

The place will be Corinth Blvd. United Presbyterian Church, Christian Education Building, 4269 Corinth Boulevard. (Two blocks east of Smithville Rd. or four blocks south of Linden on Mereline). The Church has permitted the use of the building as a service to the community.

The cost, primarily to cover expenses, will be \$1.00 per month per person up through October 25th. This entitles you to dance each week, however, if you only attend once a month the cost is still the same. (Membership and cost will be worked out more in detail by the group after we get organized.)

Until the group is organized, I will be in charge of the workshops and programs, however, members will be encouraged to call or instruct movements or dances. Members will not be expected to receive pay for their time in instructing or conducting programs, including myself.

The baseline for Square Dancing will be the Western Style movements as defined by the American Square Dance Society, however, other types of American Folk dancing will be introduced and put into programs.

You may call me if you are interested in this type of American Folk Dance program, or just show up on the 20th of September at 7:30 P.M. Bring your friends. Teenagers are encouraged to attend.
