

## MIAMI VALLEY FOLK DANCERS

Bomberger Recreation Center was the site of our semi-annual workshop. David Henry taught Greek dances for a total of 145 people during the two-day workshop. The dancers came from our three-state area -- from as far as Louisville, Ky., Indianapolis, Ind., and Toledo.

A number of our MVFD members participated in the World A'Fair at the Convention Center, having danced with groups representing Israel, Yugoslavia, The Phillipines, The Dutch, British and Americana.

Since there are 7 $\frac{1}{2}$  hours of contra scheduled for the Ohio State Convention at Columbus, June 9-11 (4 $\frac{1}{2}$  on Sat.) we are encouraging our members to attend. There are five Ohio contra leaders scheduled (including our own Lou Hyll). The sixth prompter is "Stew" Shacklette from Ky. known to all our KDIers.

Leo Pedretti has a scholarship to KDI (Kentucky Dance Institute Aug. 6-12). Leo is the third recipient from MVFD in three years. KDI has been well supported by us with as many as 20 members attending in one year. This year is Harts 17th year there.

Ethnic Sunday schedule for the near future is:

- June 11 - Mexican
- July 9 - British Isles
- Aug. 13 - American
