

# SCOTTISH COUNTRY DANCE WEEKEND

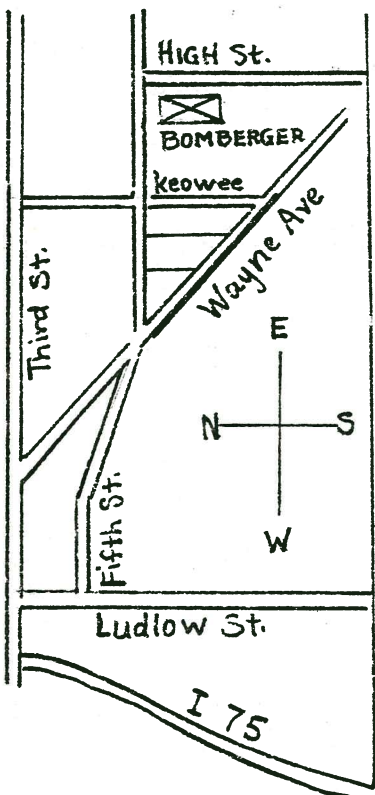

WITH **C. STEWART SMITH**

NOVEMBER 4-5, 1978

Bomberger Recreation Center  
1306 E. Fifth St., Dayton, Ohio

Stewart Smith teaches highland dancing in the St. Thomas Episcopal School in Houston, Texas. He has taught Scottish Country and Highland dancing throughout the U.S. and Canada for the past thirty years. He is a fellow member and examiner for the British Association of Teachers of Dancing. There are only three examiners who reside outside of Scotland, two in the U.S. and one in Canada.

We are looking forward to his expert instruction and hope that all our friends throughout the area can join us. Soft shoes are advisable for Scottish dancing.
