Dear John:

No, ad appeared only ONCE. How many times was it to appear? There is so much confusion around here, being the only one working on the magazine. Then, when returning from a trip with the back-log of piled up works & correspondence and another VILTIS rush I really make my errors. Please lemene pronto and I'll start running it again in time for the fall season -- mailing in July so rush.

Will we see you at KDI? Thanks for renewal.

Till later
