

June 21, 1979      6:30-7:30 p.m.      Pavilion

All present. John Pappas, guest.

Results of the Sybil Clark wee-end are attached. Poor attendance and we lost some money.

Jeanne Gulden reported that Ken Steed will inform people as they are in charge of program. The committee will make a list of old dances for reteaching. They also suggested to the council that a separate person be appointed to prepare the monthly newsletter. The club likes getting this information on a regular basis.

Hulon was asked if record player committee has done anything here. Nothing yet.

Adele says she does not have a set of keys. One set is lost. Sam will have more made.

Grace and Bill were not chosen as Council Couple of the Year. There is no question but what the council is strictly square dance oriented.

Mary Ann Herman has agreed to do a workshop for us on Nov. 30<sup>th</sup>. Ann Ballinger should advertize in Folkstream.

Spring Workshop of 1980 will be French-Canadian as this was the second choice of earlier survey. Hylls will be asked to be chairmen and they should try to contact Yves Moreau.

Tri-City will be in Dayton in April of 1980. In keeping with the desire to incorporate newer members into positions of responsibility we will ask Marilyn Bishop if she will do this and if Jewell Steed will help her.

Carolyn Stovall will ask the Hart's if they will host the annual picnic.

John Pappas requested that we as a club jointly sponsor an Italian workshop with the International comm. and the Italian-American group on Sept. 22-23 with Mae Fraley. Council agreed to do this.

SauerKraut Festival demonstration will be Oct. 13, Ann and Vera in charge.

Carolyn Stovall reported that ceiling fans are being purchased for the pavilion. Our council has been requested to discuss ways that all pavilion clubs can come up with the money for this improvement. We will discuss this at next meeting.

Frank Hart requested that council come up with some way to alert members to be more considerate of thers in their summer dancing apparel. It will go in next newsletter.
