Saint-Jean, 9 October, 1979.

Louis H. Hyll.

Sir,

Thank you for your invitation.

Louise + I specialised in French Folk Dance. Our repertoire included "bourrées" the most typical dances from the central part of France (Berry) We also used dances from other Provinces: Poitou, Normandy, Alsace and Bretagne.

As far as fee is concerned, it all depend on your organisation. As our good friend Ralph Page says: "If you make a lot of money, I want some. If not, I do not want to rob you".

Our schedule is very flexible since we do not teach on a regular or professional basis. I am a vice principal of the local High School. So we are taking only a few invitations.

I hope these details will help you in your organisation.

Yours truly
