The following is quoted from the MVFD Method of Operations dated 1977.

"ARTICLE VI: ELECTION

A. Election for members to serve on the Council is by secret ballot.

B. A nominating ballot is cast for as many names as there are vacancies to be filled. Nominees not present must have given their consent for nomination prior to the balloting. Nominees receiving the highest number of votes are posted alphabetically for the electing balloting. Numbers of votes received are not posted. There should be twice as many nominees posted as there are vacancies. More will be posted in the event of tie vote.

C. An electing ballot is then taken after the posting of nominees. Each vote may contain as many names as there are vacancies. The winners are announced, but not the number of votes received. A run-off ballot may be taken between tied nominees if necessary."
