

January 17, 1980

Dear N.V.F.D. members,

As you know, our annual meeting was last Sunday. The following people were elected to council:

Sam Ballinger (It seems we can't get rid of him.)
Tony VanDer Sluijs
Marje Darragh

Jeanne Gulden and I had one more year to serve before you could get rid of us.

After the general meeting was over, the new council held a brief meeting and elected the following officers:

Carole Pappas - Chairman
Tony VanDer Sluijs - Vice Chairman
Marje Darragh - Secretary
Sam Ballinger - Guess what?\$\$
Jeanne Gulden - Member at large

I honestly don't think the council made the wisest decision "drafting" me as chairman, but they did and you're stuck with me for a year. I can't possibly fill Carolyn Stovall's shoes, but I'll certainly try.

Our first council meeting is scheduled for January 25. If you have anything that you want to be brought before the council, please see one of the council members before then. Also, if anyone is interested in serving on any committee, please let one of us know.

As in the past, please keep the chairman informed of all demonstrations.

Carolyn Stovall will be our representative to the Miami Valley Dance Council. This will assure continuity.

REMINDER:

French Canadian workshop - March 15 and 16 with Yves Moreau at Bomberger Center
(Be thinking about what types of workshops you want for the next two. The program committee will be contacting you.)

Tri-City - April 19 at Bomberger Center

More later - - -

Carole Pappas
