MAY--JUNE NEWSLETTER
MVFD

Council met Tuesday night, June 10. Thought you might be interested in some of the business transacted.

1. A budget of \$35.00 was approved to replace tattered record covers.
2. General guidelines for workshop chairmen, proposed by Ann Ballinger and Nancy Hyll, were accepted with minor modifications.
3. 1980 Council will plan both 1981 workshops to allow workshop chairmen more time to obtain instructors. (There are some problems connected with this Fall's Russian workshop as far as obtaining an instructor is concerned. You'll be hearing more from Bruce Cantrell on this subject.)
4. Ann Ballinger reported that Courthouse Square plans have been finalized. It will be Thursday, June 19 from 7:00 - 9:00 P.M. Courthouse Square is at the corner of Third and Main Streets. If you plan to attend and have not received a handout, please see Ann. Unless it is raining by 6:30, you can assume the event is on. Those wishing to dance after 9:00 P.M. may come back to the Pavilion.
5. Our Spring workshop with Yves and France Moreau was a success as far as enjoyment and learning were concerned. However, we had a deficit of \$199.29.
6. Tri-City was also enjoyed by our members, but we had a deficit of \$102.95.
7. Jeanne Gulden is still checking into the possibility of having a record made of Sakdana, and some others.

I forgot to mention in earlier newsletters that our club purchased a 100 cup coffee pot. You can notice it at our next ethnic Sunday. (While I'm on the subject of ethnic Sundays, someone is putting plastic spoons in the disposer. This is a NO, NO!)

Carolyn Stovall has the following information to report from the Michael Solomon Support Committee:

1. The proposed new Kitty Hawk Pavilion looks like a dead issue for some time to come as far as the City of Dayton is concerned because of the economic situation. All monies held in reserve for the new pavilion (approximately \$4,000) have been transferred to the Michael Solomon Support Committee. This committee voted to use these funds toward re-roofing the Michael Solomon Pavilion.
2. The Support Committee re-emphasized smoking ONLY over the concrete area. (Although this has been mentioned before, some people are not complying with this request. Please do your part to help.)
3. Vera Pacey requested that people be very careful in moving the tables so as not to scratch the floor.
4. Floor tile will soon be installed in the men's restroom. All the improvements in the men's restroom will be paid for by the Miami Valley Folk Dancers. (The \$250.00 voted on at the annual membership meeting will take care of the entire project, thanks to all the donated labor.)

Many of you will be leaving for vacations soon. Please be careful and come back to us.
