

MAY-JUNE MIAMI VALLEY FOLK DANCERS NEWSLETTER-1981

Council met on May 11th, and transacted the following business which will be of interest to you. We acted on a proposal of Jeanne Gulden's by purchasing a slimline portable cassette recorder. It will have three primary functions-taping a record in lieu of buying it, unless it is found to be one that will be popular, taping private collections, and taping a band that may be the only one used on that L.P.. John Pappas is presently storing the new recorder.

John Pappas has contacted Tom Bozigan concerning the Armenian Workshop of the Fall of '82. As yet the date is not firm. Ed Anderson submitted a flyer that we will be giving to newcomers. It is very informative and precise.

The upcoming International Workshop with Bea Montrose will be on November 7th and 8th. Council approved Ann Ballinger's recommendations for charges. Members will pay \$10.00 for the entire week-end while guests will be charged \$16.00.

ETHNIC SUNDAY

Sam Fleischer reports there were 49 in attendance for the May dance. (Thanks to Sam for working on the program committee-he'll be retiring at the end of this month.)

Jewel Steed is the chairman this month for the English theme. The dances to be taught are: Sellinger's Round, Picking up Sticks, New Castle, Bonfire, and Jerry's Jig. Remember to sign on the food sheet if you are coming. Also please list your requests.
