Tom,

Received your letter of March 10, 1982. The dates of Sept 17, 18, 19, 1982 are ok with us, and we have booked a location for the workshop. The \$450.00 fee is more than we wished to spend, however, since it includes Friday eve and Saturday morning, the council is willing to pay it. At this time, we are not interested in an advanced class for an additional \$100.00. How long is the Sunday review? What about Sunday morning?

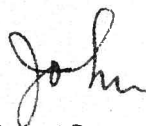

I would like to ask you if you could make travel arrangements for yourself. I understand that there are special rates if they are made far in advance. The MVFD is also willing to make arrangements for you if you wish, however you know your travel requirements better than we do. We can mail a check to the airlines.

We will make arrangements to pick you up from the Dayton International Airport and bring you back. You are welcome to stay at our house during the weekend.

We will provide a super 8 sound film projector for the film. This would probably be best late Saturday afternoon or early Saturday eve. Will you have record albums for sale? We could help you sell them. Do you have 3 or 4 albums?

Some of our members were wondering if you have an easy couple dance dance that you could teach us. Also if you could be sure to include "sev acherov aghcheek".

Hope to hear from you soon.
