OLD BUSINESS:

Bulgarian Workshop: We still do not have a definite date set for this workshop. Council recommended that Carole call Yves Moreau - which she did during the meeting - and she spoke to his wife, who advised he still did not have a definite date from Australia. Yves' wife said she would have him call Carole and firm up a date, as time is getting short. The May date previously given him is no longer available but council decided on four possible dates we can suggest as follows:

March 16-17  
April 20-21  
November 2-3  
November 9-10

New Year's Eve Party: The Mills and Eltzroths will co-chair this event. There will be no charge to members while guests will pay \$3.50 per person. Members are to bring hors d'oeuvre and/or dessert. The party will begin at 9 p.m.. The Program Committee will be in charge of the dancing program. The club will furnish set-ups for drinks - BYOB.

New Business:

City Folk has received a matching grant, for any new money they receive, from the Dayton Foundation. John moved we contribute \$25.00 which is the same as we did last year, and Sam seconded the motion.

Alexander David Russian Workshop: Alexander David will be in our vicinity and give us an evening workshop on February 14 from 7 to 11 p.m. His charge will be \$100.00. Council decided to have the workshop free to members, 50¢ for associate or class members, and \$3.00 for guests. We will ask all members to bring a snack with the club furnishing coffee and cold drinks. John Pappas will chair the workshop with Joanne Dombrowski co-chairing.

Jeanne Gulden: Council decided to send \$25.00 to the Cancer Society in memory of Jeanne.

Meeting was adjourned.

Respectfully submitted,
