

Dear Grace and Bill.

I have meant to call you. Mike and I will try to attend this dinner. I myself would love to see old friends. We, however, will be unable to dance.

Mike has a very bad toe. I also have one. His and my plastic surgeon has positively forbidden Mike to dance of any kind. We're heart broken

because we especially
loved to square dance.

If nothing happens
we will try to be
there.
