Plan Ahead For

1. The April Ethnic Sunday, April 8, is **Armenian**.
2. The **Tri-City Workshop** will be held on Saturday, April 21, 1990 in Columbus this year. Fliers are on the counter each Thursday night--be sure to pick one up and send in your dinner reservation (due by April 10)!!!! This workshop is always a lot of fun and a great way to meet people from the other local (Cincinnati and Columbus) folk dance groups. The basic premise of the workshop is for the folk dance groups in the tri-city area to share dances with each other. As an incentive for attending, any MVFD member who goes to the Tri-City workshop will receive a **\$3.00 rebate** on their registration fee.
3. The May Ethnic Sunday, May 13, will be the special **wedding reception** for Bette Kelley and Wayne Gulden.
4. Our annual **Open House** will be held on Thursday evening, May 17. Please be thinking about a friend, colleague, relative, neighbor, perfect stranger, hated enemy or any combination of the above to bring on this night and introduce to international folk dancing. I think this event has been the most effective mechanism by which we have acquired new members. If you have thoughts or suggestions about how it can be improved, please come and see me.
5. The June Ethnic Sunday, June 10, will be from the **British Isles** (I don't mean we'll be holding it in the British Isles, I mean . . . oh, you know what I mean!).

6. The **Greek Workshop** with John Pappas from California, of whom our own beloved Dayton John Pappas is a see-through imposter, will be held on July 7-8. John Pappas and John Pappas will be chairing and conducting this workshop, respectively.
7. "Day in the Park" will be held on August 5 this year. Lorraine Fortner was suckered into . . . I mean, graciously agreed to organize this event.

It's Only Money . . .

The MVFD Council has asked Lou Hyll to look into the options concerning the purchase of a **new record player**, pursuant to Sam Ballinger's recommendation. Lou is a member of the Equipment Committee and has just recently purchased a new record player for himself. He will make a report to Council at our next meeting. If you have any suggestions, recommendations, etc. concerning a new record player, I'm sure Lou would appreciate your input.

The End . . .

I do apologize for subjecting you to my dubious humor, but this is the only opportunity that I get to have a little fun while writing. I'm afraid you'll have to get accustomed to it, you're stuck with me for the rest of the year. On that depressing note, I will end.

Humbly submitted by your servant,

Harry
