I, Leslie K. Hyll, hereby designate all day-of-event discrepancies, problems, disputes, complaints, etc. to be handled by our illustrious and capable chairperson, Louise Van Vliet, who I'm sure will duly blame them on my incompetence, lack of organization and planning, and conveniently planned trip out of the country.

I hereby designate all compliments, success, enjoyment, etc. to be lavished upon the people responsible as aforementioned, since I obviously have not contributed to the success of this party, and in fact, have tried to hamper the ability of each responsible person to perform his/her task.

HAVE A GREAT TIME, FOLKS!!!
