The Miami Valley Folk Dancers present an

80th Birthday Party for

Grace Wolff

Grace Wolff was the leader of the Miami Valley Folk Dancers for its first 15 years. Still active in the club, she has made tremendous contributions to it over the years. Grace was also the first leader of Zivio, and the Miami Valley Round Dance Club. She was responsible for much of the recreational dance activities in the Dayton area during the 50's and 60's. She taught folk dancing, called squares, taught rounds at dance clubs, social groups, one-night stands, girls scouts, etc. It is impossible to list everything she was involved in, and responsible for, in terms of recreational dance. Please join us to pay tribute to all her work and celebrate her 80th birthday.

International Request Dancing
