Thank You

from

Hospice
of Dayton, Inc.

late 1992

Hospice of Dayton, Inc.

A gift to Hospice of Dayton, Inc., in memory of a loved one, relative, neighbor, or business associate, honoring someone you admire, serves a multiple purpose. In a very tangible way it perpetuates the relationship, the friendship, or the admiration of one no longer able to return this love or admiration. It lets the bereaved family know that you cared in a very special way. At the same time, it provides a contribution to support homecare and inpatient care at the Hospice Care Center where it can be used constructively to provide medical care and education for the terminally ill and their families. Such a memorial donation is deductible as a charitable contribution for income tax purposes.

Your recent gift to Hospice of Dayton, Inc., is deeply appreciated. We've recorded this gift from you of \$ 25.00

in memory of

Rosanna Gessel

and have acknowledged your contribution to

Edwin Gessel

We appreciate very much this contribution which acknowledges your interest in our program and your concern for others.

Thank you again.
