Muntu African dance group sponsored by CityFolk will be at the pavilion Thursday, Feb. 25. John Pappas will chair this mini-workshop.

Tri-City will be in Columbus, April 17. Their contact person is Suzanne Rizer. Mike Clark will organize our participation.

Open House will be May 20. Ann Ballinger will chair.

Workshops--Council discussed the two proposals presented--Bea Montrose, International, and Marilyn Wathen, French. After considering the pros and cons of both proposals, it was decided to go with the preference of the last club membership poll--Polish. It is council's concensus that this nationality with draw a larger attendance at this time. Harry will investigate leaders and someone to chair.

MVDC has requested tapes of folk dances that could be used for demonstrations. Pat Gehring will do this.

We will participate in the Holiday at Home celebration with a dance demonstration. Ann Ballinger agreed to do this by keeping the program the same as the one done for Saurkraut Festival.

Meeting adjourned at 10:55p.m. Next meeting will be Feb. 15,
7 0'clock p.m. at Ballingers.

Respectfully submitted,

Carolyn Stovall
