

Third Meeting of the Miami Valley Folk Dance Council

July 19, 1993

Harry Khamis' home

Attendance: Harry Khamis, Pat Gehring, Sam Ballinger,
Carolyn Stovall, Leslie Hyll.

The meeting began at 7:45 p.m.

Leslie Hyll came to council to make it aware of some cultural organizations within the community that could benefit our group. The first organization is Dayton's Community Dance Partners. It promotes various types of dance in the area, and is funded by NEA and Ohio Arts Council. Because of Leslie's involvement, MVFD is included in this organization. The second is Cultural Associates. Arts Dayton and Miami Valley Arts Council combined to form the Cultural Alliance. Cultural Associates is a subgroup of the Cultural Alliance. We are a member of this group. Leslie feels we should be aware of these organizations because they are new and might be beneficial to the club. Collaborations are possible. Harry asked Leslie to continue being the contact person to both of these organizations.

The minutes were read and approved.

The treasury balance is \$2,188.63.

Council decided to sponsor John and Carol Pappas as our Honor Roll Couple for 1994. Harry will ask Louise Van Vliet to write up their entry.

Roo Lester will teach September 2 at the 9-9:30 time. She will be paid \$30 for the instruction.

Ethnic Sunday September 12 is being organized as a memorial to Jane Farwell. Members will be encouraged to contribute to Folklore Village in Jane's name. Council agreed to send \$50 to this same fund.

Fall Workshop will be Nov. 13 (Burkhart Center) and Nov. 14 (Solomon Pavilion). Ada Dziewanowska will teach Polish dances.

MVDC Report--Pat Gehring

Lights in the parking lot. Pat reported that no priority is being given to this subject. Sue Wilkinson, Rec, dept. liaison, recommended that Peggy Burris, Supt. of Parks and Recreation, be phoned and made aware of this problem. Harry thinks this should be handled by MVDC.

Key to table closet--a new key will be provided soon.

Day in the Park will be Aug. 1 at Cox Arboretum.

Holiday at Home performance will be coordinated by Ann Ballinger. It will be Monday, Sept. 6 at the Kettering Govt. building.

Sauerkraut Festival is Oct. 9 and rehearsals begin the Tues.
after Labor Day.

A membership poll was requested by council for future workshop
preferences. Carolyn Stovall will do this.

Meeting was adjourned at 9:35p.m.

Respectfully submitted,

Carolyn Stovall, Secretary
