

March 25,1993

Dear Ada Dziewanowska,

Thank you for agreeing to present a folk dance workshop for the Miami Valley Folk Dancers in November. As co-chair of this event I am writing to you to confirm the details of your phone conversations with John Pappas.

The Polish Workshop is scheduled for Saturday, November 13 and Sunday, November 14. On Saturday there will be morning and afternoon teaching sessions, followed by a Polish dinner and evening party. On Sunday there will be one afternoon teaching session. Your fee will be \$300 plus transportation, room and board.

We understand that your daughter is coming to sell records and costumes.

There are approximately 90 members in the Miami Valley Folk Dance group, with a wide range of skill and energy levels. This is an international group with both couple and line dances regularly included in the dance sessions. I think you will enjoy the group.

We would appreciate biographical information for the flyer that we will prepare to announce the workshop. Eventually we will also need instructions for the syllabus that will be given to each participant. (You may send the information to me or to John Pappas.)

We look forward to seeing you in November.

Sincerely yours,

Joanne Dombrowski
