With all this help it should be a good year !!!! But of course we need everyone else too. We look forward to seeing you on Thursdays and Ethnic Sundays.

Some Important Dates: February 13, Irish Ethnic Sunday
March 13, AMAN
April 30, Tri-City (Cincinnati)

The **February Ethnic Sunday** will be **Irish**. Featured guest will be John Timm, who is a World Class Irish Step Dancer. He's fun to watch. So please do come.

The AMAN dance group will be performing at the Victoria on Sunday, March 13, at 3:00. This performance is part of the Wright State University Artists Series. We hope to have a workshop with some of the AMAN performers, here at Solomon Pavilion, on Saturday, March 12. This would replace the March Ethnic Sunday (so those who wish could attend the concert). See Leslie Hyll if you would like tickets for the concert. Listen to announcements for further details on the workshop.

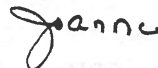

If you missed the Annual Meeting (tsk tsk) then you may not know that Carole and John Pappas have been nominated for Honor Couple of the Year. They certainly deserve this nomination, and we wish them luck in the overall competition. At the annual meeting they were presented with a "Memory Book" containing photographs and letters contributed by members. It is not too late to add your contribution to the Memory Book- and I know they would appreciate it. (We want Carole and John to know how much we appreciate them.)

The Fall 1994 workshop will be Romanian. Carolyn Stovall will chair this event.

Council voted to raise the upper limit for reimbursement for Thursday evening snacks to \$20.

And so.. We're looking forward to a great year. We hope each of you will join us regularly on Thursdays and Ethnic Sundays. Let us know what we can do to make folk dancing more fun for you.

Sincerely yours,

Joanne Dombrowski
