

Special Meeting of the 1997 MVFD Council

Date: April 3, 1997
Place: Solomon Pavilion
Attendance: Council Members: Ed Anderson, Joanne Dombrowski,
Leslie Hyll, John Puterbaugh, Louise Van Vliet
MVFD Members: Lou Hyll, Nancy Hyll, Carolyn Stovall

The meeting was called to order by John Puterbaugh at 8:15.

The purpose of this special meeting was to discuss the proposed guidelines for the scheduling of Michael Solomon Pavilion, which would be voted on at the May meeting of the Miami Valley Dance Council. Carolyn Stovall provided a copy of the guidelines, as well as supporting documents which detailed projected pavilion expenses. The Council listened to portions of the taped presentation by John Roasa on these issues.

It was agreed that Carolyn Stovall would mail a copy of the written materials to each person attending this special meeting. Discussion of the guidelines was postponed until each member of this group had an opportunity to carefully read through these materials.

A meeting was planned for April 25 at 7:00 pm at the home of John Puterbaugh to discuss the guidelines in detail.

Respectfully submitted,

Joanne Dombrowski
