Workshopette Proposal

In view of the fact that for the first time in recent memory, we are not having our traditional November workshop, I make the following proposal. In lieu of our regular ethnic Sunday, we have a one-day Romanian" workshopette". We could rent the Solomon pavilion for the morning of our regularly scheduled Sunday, NOvember 8, as well as the afternoon. We could have our own teachers review dances from our previous workshops and repertoire that have gradually faded away. We could follow the standard format of 9-12 and 2-5 teaching sessions with the 2 hr lunch being a potluck and leaving at 5 or 6 or whenever we need to be out. Leslie has already checked and the building should be available, especially if we act now. Since we would be using ourselves as teachers, the only additional expense would be the cost of the building for the AM. I think only minimal publicity is necessary. We need a minimum of 6 dances to cover November and January. Following is a proposed list and a few suggested teachers. Leslie and I have already committed. Romanian dancing is so interesting because of the wide variety of styles and tempos. We've also had the benefit of dances from Dick Crum, The David brothers, Nicholoas Helferink and my workshop with Sunni Bloland. I've tried to create a mix of types: 2 each of slow, & fast and a slow and a fast hora. More dances could be added if necessary.

Mindrele - slow woman's dance -	Sunni Bloland	Bette Kelley
Iedera - " " "	Nicholas Helferink	Leslie Hyll
Hora Femilor slow hora	" "	Joanne
Hora Olteneasca stamping hora	David Brothers	Bette
Coragheasca harder	Dick Crum	? XXXXX ? PATTY 6?
Briul de la Fagaras vigorous, zippy	David Brothers	Jeanette?

any more suggestions?

I have an East European Cookbook that I would be willing to share for recipes.

I really think this could work. Thanks for your attention.

Slow Hora Malesii - Laraine
MED- BARBATESC - JEANETTE

Bette Kelley
