

Tri-City Folk Dance Festival, 2000

37th Annual TRI-CITY Folk Dance Festival Photo Album

Photos from the Festival held on March 12, 2000. Well, Yours Truly forgot her camera. Luckily, Carolyn Levine from Cinci had a camera with her. She has graciously provided these pictures of the dance she and Bruce taught that day. Thank you, Carolyn!

Woo Hoo! Check out those legs! Bruce Yanoshek and Carolyn Levine, ready to teach a dance from the South Pacific. (Bruce said I didn't need to put this picture on the web - but I really think we need it, don't you?)

Here is Carolyn and Bruce leading us all in the "dance". The proper dance position was to sit in our "canoes."

I think these Mixed Bag band members are paddling their own canoe.

Mike, Joanne, and Maureen are admiring the stars from their canoe.
