

Macedonian Folk Dance Workshop Photos

MVFD Macedonian Folk Dance Workshop, November, 2000 Photo Album

Teaching - Larry Weiner taught to a good group of people.

Vending - There were lots of things for sale between vendors, silent auction, and raffle.

Dining - There was always plenty to eat for snacks and dinner.

Cleaning - And always cleaning up to do.

Watching - We even stopped for a moment to watch videos.

Playing - Hajde wowed us with their playing.

Dancing - But mostly we danced. Exuberantly!

Rejoicing - . . . unless you were Leslie and Lorraine who rejoiced that we made some money on the silent auction and raffle. (Hey, it ain't cheap puttin' on a workshop. . . besides we have needs. . . .)
