For several years Ann Ballinger took some of the MVFD dancers to Friendship Village in northwest Dayton for demos. MVFD was paid for these performances. The last time Ann did it this she told her contact there that she would no longer be doing demos. If the club would be interested in doing demos there I suspect that Friendship Village would be interested. We always had appreciative audiences of alert people (Friendship Village is a retirement community with many residents living independently or in assisted living arrangements). The performances were held in an air-conditioned room.
