Shall we dance? You are invited to join in on the fun of trying a few unusual dances at The [Michael Solomon Dance Pavilion](#). The date is Thursday evening, July 20.

That's when the Miami Valley Folk Dancers will host a relaxed mini-workshop featuring Dances for Odd Numbers, meaning 3, 5, or 7 people, i.e. individuals, NOT couples. These are English, American and German dances that use "Anglo" movements, nothing tricky, almost entirely in walking steps.

*Our instructor is Hanny (pronounced Honey) Budnick, who promises to vary our program as fits the occasion and participants. She wants to introduce us to at least one English Country two-couple set dance as well as a few line, circle or individual dances for variety.

Please join us at [The Michael Solomon Dance Pavilion](#) for some good entertainment with Hanny. She will teach from 7:00 until 10:00. Cost is only \$4 at the door. There will be refreshments of course.

Call 1-937-294-6722 for more information. The Pavilion is in the parking lot of Community Golf Course, address above.

*Hanny Budnick is well known in the Mid-Atlantic states as a caller, teacher and emcee. She is from Philadelphia with specialties that include English Country Dancing, traditional New England contras, and international family dances. She has studied with masters in these fields, and visits us between a just-finished trip teaching dance in Europe (the Netherlands, the Czech Republic and Germany), and upcoming teaching stints at Berea, KY, and the Cumberland Dance Camp.
